FORE THE TROOPS

A nonprofit charitable organization that raises money to support philanthropic organizations focused on programs and support of military personnel and their families

Our giving philosophy stems from our history supporting groups that send care packages overseas to our men and women in uniform. We focus on grass roots organizations that deliver funds as close to the end user as possible. Fore the Troops functions as fundraising partner to beneficiaries who may otherwise struggle to fund their mission.

OUR COMMITMENT

Our responsibility to those who contribute is to ensure the monies are used in accordance to our giving philosophy and distributed to vetted organizations. Fore the Troops is a 100% volunteer organization with an annual operating budget of under \$2,000. Our mission has been and always will be to provide active duty and veteran families with as much of our funds as possible.

Celebrating our 17th year:

- \$400K raised since 2010
- Over 10 grassroots organizations supported
- 100s of care packages sent- 1000s of lives impacted.
